

**Renegade Invitational MusicFest**  
**October 15, 2017**

**Arrival and Parking**

Parking will be in the long lot that runs East/West and the adjacent field. Please direct your buses to enter from the Lions road entrance. They will end up facing Dayton or parked North/South in the grass field next to the parking lot. Buses and equipment/support vehicles will be parking in the same lot this year. We have overflow parking on the one way road by the stadium for equipment trailers, as well as our Bus Barn which is just North of the stadium. You will be directed to the correct location upon check-in. Please see map for further information.

When you arrive, you will be met by a guide who will provide you with a director packet and wristbands for your students and chaperones. The number of wristbands is based on the form you submitted last week. If you require more than your estimated amount please let me know.

**Concessions and Admission**

The concession stand will open at 12:00pm and remain open until the end of the show. In addition to great food, they will also have T-shirts and sweatshirts available for purchase. Attached below you will find the prices for the concessions this year. The cost for admission is \$10.00 for adults, \$5.00 for students/senior, free for Active Military.

**Restrooms**

Restrooms for spectators are available at the field concession stand. There will be additional portapotties available in the stadium as well. Band students and directors will have access to the East restrooms in the High School near the bus parking. Please use the marked doors for entering and leaving the high school for restroom use.

**Warm Up**

The South field will be used for warm up. This field will be split into an A and B section. Please report to the field at your scheduled warm up time. Please make sure your groups are facing away from the stadium. A guide will meet you before your warm up time to help you find the field and leave enough time for travel. They will also take your band from the warm up area to the field gate when you are ready.

**Entrance and Exit of the Field**

Each band will be staged at the gate on Side 2 of the field during the prior band's performance (gate time). After the performance you may choose to troop the stands crossing from Side 1 to Side 2 with the band exit being frontfield on Side 2. Please see the map for more information.

**Props**

If your group has props, you may stage them near the field entrance or on the One Way road near the band entrance. These gates should be large enough to accommodate most props.

**Electrical Power Access**

Electrical access will be made available for pit. Please have extra extensions cords available if you require more than one plug. There will be one electrical access available in the front ensemble area.

**Awards**

The awards ceremony will be drum majors only. Drum Majors report, in uniform, to the gate near the concession stand 15 minutes prior to their respective awards ceremony. All band Members are invited to come out on the field. Please tell band members to leave footballs, frisbees, etc. on the bus so the focus is on the awards.

**Adjudication:**

We are utilizing BOA sheets this year in order to bring our show into line with other shows in the area as well to provide more relevant comments from our adjudicators.
