Julie, the chair person of Terror in Timber will be requested to email a flyer/parent approval for students at Middle School to participate for Terror in Timber. Junior Regiment workers for the music fest will be two students for shout outs and two students for concession stands.

### **Director's Report - Justin Heinekamp**

Music fest, we have 20 bands coming. We should have more of a head count of students in each band in a week. We are waiting on directors from other schools to respond to Justin. It is safe to say that we will roughly have 10% more than last year. For the Regiment shows, we only have two games left and Music fest. We will continue with Charms for volunteer sign-up. It is working well. We will need extra parents and alumni to help for the last four shows. The marimba which was requested by Justin at the last meeting will be put on pause until after the D.C. trip. The percussion is continually growing so the marimba will be a need.

Mallet instrument is also being requested by Justin, it will be used for Regiment and Concerts. It is mounted on a bar which the district can buy for 149.00. The mallet Instrument price is 894.00. The Bass drum stand is broken so Justin is asking for that to be replaced. Cost is 600.00 to 750.00. Justin is asking for 1000.00. He prefers to have both by November 1st before Band Concert.

Concert Bass drum approved for 800.00  
motioned by Yvonne, 2nd -Chad - approved

## **NEW BUSINESS**

Cheesecake Fundraiser starting soon. Order forms will be due on November 3rd 2016.

Anyone who would like to donate plastic tubs, the band shed is in need of more tubs to make things more organized.

Chaperone guidelines will be added to Charms, this will be helpful for new parents in Regiment and what is to be expected when you volunteer.

Mr. Morgan has offered to make signs for Terror in Timber. He just needs to know what we would need, sizes, and wording on signs. His email address was given to Bonnie to keep in touch with him regarding the signs so that he can get us a quote.

## **GOLF CART UPDATE**

At last meeting on 09/13/2016, regarding golf cart - "We need to do what we can to get the golf cart up and running by music fest."

No matter cost - golf cart expenses approved.

Motioned by Yvonne, 2nd by Brandi - APPROVED

Thank you Mr. Csiszer for working on the golf cart and charger. The charger was not working properly so that was taken apart and parts were ordered. Unfortunately all batteries were bad and all 6 needed to be purchased. Golf cart is now running and in good condition and charger is also fixed. There is a 12 month warranty on batteries. It is a must that September 1st of 2017, the batteries are re checked. If any need to be replaced at that time, it is at no cost.
