Treasurer's Report - Bonnie Talty

Musicfest is the biggest we've had and was a huge success. The bake sale in a different area worked really well. Need to order more pizza for 2017 musicfest and search other options for the programs. Also consider larger dumpsters and discuss having port-a-potty delivered on Saturday instead of Friday. Kohl's is offering to send us 5 people for 4 hr shift and will also send us a check. Although this must be organized 60 days in advance of Musicfest. Possibility of Judges raising registration fee to \$200.00 .The estimated date for Musicfest for 2017 - October 15th, 2017.

Terror was an 84% increase from last year. Will advertise to other schools for Terror in 2017. Estimated date for Terror in Timber 2017 will be determined next year. We will need to reserve Sannauk Forest Preserve for next year in advance. Two very profitable events.
