

**2015-2016 Sandwich Indoor Percussion Ensemble
Ensemble Information Sheet!**

Please keep this sheet for your records, as it has pertinent contact info.

The SIP ensemble consists of the battery and pit percussion. All students hold a significant responsibility to the organization, working with others to achieve a high level of musicianship. Every member will be assigned a unique role to memorize, rehearse, and perform. This role will challenge coordination, improve concentration, and incorporate team building. Most of all, it will be enjoyable!

Every date on the calendar is important- Please double check all commitments.

**Early communication is essential and an ideal the program strives to inspire in students.
Conflicts are due at the START of tryouts.**

Please understand that even a single student missing from rehearsal affects every student in the group. Unlike a sports team, there is no other person to cover the part. A missed performance, unexcused rehearsal absences, or students unable to fulfill duties for any reason will be considered for reassignment of part or dismissal from the group.

-Cost-

There are 3 fees for Indoor- dues, uniform, and a possible finals trip. Please read.

This season we will not be charging any student fees. Our priority is to show the program the benefits of participation before asking for student dues. In the future it is a possibility; however every possibility to keep dues low will be explored! As an example, dues at another high school program started at 150 and increased to 300 over 3 seasons.

Please- if you have ANY questions at all- ask!
Finally, a sincere THANK YOU in advance for your support this season!!
