

***The Drowsy Chaperone* LOCK-IN!**

The musical lock-in is an overnight rehearsal during which we add elements of tech, music, set, and costuming that we have not previously incorporated. It is meant to be a fun and productive bonding experience while we work hard to put the entire show together. Below are a few reminders and details to prepare you for the big night:

Time: 6pm Friday April 2 - 12pm Friday April 3

Who: Cast, Pit, Crews - everyone!

What to bring:

- Air mattress/cot/blankets/sleeping bag/Bedding/Pillow
- Toiletries (deodorant, toothbrush, toothpaste)
- Your costume undergarments
- Pajamas/comfy sleeping clothes
- Water bottle
- Extra snacks (if you get those late-night cravings...)
- Anything else you need to complete your bedtime ritual
- A good attitude!

Food: Dinner - we are collecting \$5 from each student for pizza/drinks
Breakfast will be provided! Bring Snacks!

Lights out: 12am (Midnight)

Other information:

- During the lock-in, you will be expected to remain at the school. No student may leave the campus without director consent.
- Since this is a school event, school rules apply - including the dress code
- Showers will NOT be accessible.
- A dinner will be served at 8:30pm. Breakfast will be served at 7am. Consider bringing snacks if you anticipate getting hungry. If you have dietary restrictions please let Mr. Heinekamp know ASAP.
- ONE STUDENT per bed. No exceptions.
- The evening will be chaperoned. Please be courteous of your parent volunteers, as this would not be possible without them!

We trust that all of you are mature young adults and will behave as such. The directors will not hesitate to send home any student who cannot behave in the realm of what is expected by the staff and parents, with participatory consequences to follow.

We look forward to having a fun, productive and exciting lock-in!
