

Three Four-Year Schedules of Highly Successful Students Involved in Music

The typical schedule involving music allows students to take all of the classes they need for college. The typical student involved in music classes for four years maintains a grade point average above 3.0 on a 4.0 scale. The typical student involved in music for four years attends a college or university. A recommendation from a music teacher plays a major part in a student's successful application to the College or university of their choice regardless of their field of study. Sandwich High School students who study music throughout high school and pursue a degree in professions like medicine, engineering and education have a high level of acceptance into college. Sandwich alumni pursuing music as a career have had a 100% acceptance rate at the music school of their choice.

Student #1 Involved in Band Currently a Nursing Major

GPA 3.46 of 4.0
