

2017 SUMMER Renegade Regiment Contract

The summer Renegade Regiment is a marching band that will be performing in the Sandwich community. This ensemble focuses on developing musicianship and promoting the fine arts in the Sandwich Community.

By participating in Summer Regiment you will improve your individual and ensemble musicianship, experience varied musical opportunities, advocate for music in your community, make lasting friendships and bonds with your peers, as well as hone your skills in preparation for the competitive fall season.

Although we won't be competing, we still hold ourselves to the same standards that the Sandwich Music Department has for all of its performing ensembles. The expectations for rehearsal etiquette, student conduct and performance quality will remain high. The experiences this unique group provides will enhance your overall musical education.

All music students are encouraged to participate in the Summer Renegade Regiment season regardless of your previous experience or your participation in the fall season and other music activities. Please see Mr. Heinekamp and Ms. Killey with your questions.

We look forward to your participation in the Summer Renegade Regiment!

Please see attached schedule for rehearsals and performances!
