A Guide to Fan Etiquette

1. Please do not enter or exit the stands while band is performing. If you need to enter or exit, please do so while the band is setting up their equipment or exiting the field.
2. Please show your support by applauding and cheering all the bands, regardless of school. All of the students have worked hard and are excited to perform for an audience who appreciates what they do. Please refrain from making critical remarks about other schools, students or performances.
3. Noisemakers (cowbells, shakers, etc.) are fine before and after a performance, but please do not use them during the performance. Air horns are not permitted at any time, and disruptive patrons will be asked to leave.
4. Please do not talk during performances. Be respectful of others' desire to see their student perform. **Turn cell phones to silent**, and only make or receive calls between performances.
5. Please do not allow young children to play in the stands. For their safety and the courtesy of others, they should not be allowed to run up and down the steps or rows, creating a distraction to other spectators around you.
6. Please do not obstruct the view of others in the stands. Please avoid standing in front of others trying to watch the show. If you have a banner or sign to display, try to do so from the top of the stands or from somewhere that is not obtrusive.

Dear Friends and Family of Sandwich Community Unit School District 430:

Welcome to Sandwich CUSD #430! Our District provides a positive learning environment that is student-centered and we have much to celebrate. We are proud of our students and their successes are a direct result of our learning community working together to address new challenges; while at the same time also striving to systemically reach our many educational goals.

The District continues to offer a solid curriculum along with outstanding fine arts and athletic activities; and possesses an enthusiastic and cohesive administration and staff who work together to maintain an environment conducive to excellence in education.

In the end, schools are more than indicators, test results and standards. The Board of Education, administration and staff is genuinely concerned about your student's overall success. I want to encourage all parents to continue to take an active part in your student's education. Our partnership is critical to the success of your student and I urge you to attend school functions, communicate with your student's teachers, and continue to talk to your student on a daily basis. Together, we can encourage all students to rise to their greatest potentials.

Please visit the District's website at www.sandwich430.org. I hope you enjoy researching the types of information located on our webpage and will consider ways that you can help our schools and students achieve even greater success. Thank you for your support and commitment to quality public education. It is truly an honor and privilege to live and work within a learning community that values education. Best wishes for an outstanding school year.

Yours for better schools,

Rick Schmitt
