You'll Be in My Heart

(Please sing with our children)

Come stop your crying It will be alright

Just take my hand And hold it tight

I will protect you From all around you

I will be here Don't you cry

For one so small, You seem so strong

My arms will hold you, Keep you safe and warm

This bond between us Can't be broken

I will be here Don't you cry

'Cause you'll be in my heart

Yes, you'll be in my heart

From this day on Now and forever more

You'll be in my heart

No matter what they say

You'll be here in my heart, Always

Why can't they understand the way we feel

They just don't trust what they can't explain

I know we're different, but deep inside us

We're not that different at all

And you'll be in my heart

Yes you'll be in my heart

From this day on Now and forever more

**Don't listen to them
'Cause what do they know
We need each other, to have, to hold
They'll see in time, I know**

**When destiny calls you, you must be strong
I may not be with you But you got to hold on
They'll see in time, I know
We'll show them together**

**'Cause you'll be in my heart
Believe me you'll be in my heart
I'll be there from this day on Now and forever more**

**You'll be in my heart
No matter what they say
You'll be here in my heart
Always**

**Always I'll be with you
I'll be there for you always
Always and always**

**Just look over your shoulder
Just look over your shoulder
Just look over your shoulder
I'll be there
Always**
